

# How To Turn Your USD PM To EUR PM From Your Perfectmoney Account

- 1.) Login to your perfectmoney account.  
**www.perfectmoney.is**

The screenshot shows the Perfect Money login page. The browser address bar displays <https://perfectmoney.is/login.html>. The page header includes the Perfect Money logo and navigation links: [Signup](#), [Login](#), [Exchangers](#), [Tour](#), [Help](#), and [Security Center](#). A banner image shows a building entrance with the text "Confidentiality Make a step forward to privacy in payment solutions". Below the banner is a navigation menu with links: [Login](#), [Home](#), [About Us](#), [Features](#), [Fees](#), [Prepaid Cards](#), [Guarantees](#), [F.A.Q.](#), and [Contact Us](#).

**Hints**

**Member ID:** In this field you should enter the combination of figures sent to the e-mail address you specified during your registration.

**Password:** In this field you should enter the password which you have specified during your registration.

**Turing number:** Please enter the figures shown in the picture. It's necessary to protect the system from robots.

**Login**

To access your account, please enter the Member ID, Password and Turing Image

Don't have an account? [Signup](#)

Member ID:  forgot? **Fill in your Member ID**

Password:  **Fill in your password**

Turing number:

**Type this in the box above**

- 2.) Click on "Currency Exchange"

The screenshot shows the Perfect Money Member Area. The top navigation bar includes: [My Account](#), [Send Money](#), [Currency Exchange](#), [Deposit](#), [Withdraw](#), [Statement](#), [Analytics](#), [Internal Mail](#), [History](#), and [Settings](#). A notification banner reads: "Payment Received: 12.00 USD from account U4 to account U5 Batch: 95285916".
